Free Elective	2		
	13		12

F Fall only
S Spring only

Total hours to graduate: 120

***Interior design faculty evaluate the submitted portfolios and recommend that students enter professional-level interior design courses. Students need to meet the proficiency level required for the professional-level courses. Students can resubmit a portfolio a maximum of two times. Meeting the minimum standards does not guarantee entry into professional-level classes. Students must maintain a 2.5 GPA or better in all IDSN-required courses throughout the program.**
